

### **ESG to organise talk on smartphone technology**

The Exciting Science Group (ESG), a volunteer group of scientists from CSIR-NCL and IISER-Pune will organise a talk on 'The Smart One Behind Smart Phones' by Bhas Bapat, Associate Professor (Physics) IISER at Venture Centre, 100, NCL Innovation Park between 10 am and 11.15 am on June 28. ESG organises regular programmes to create interest amongst schoolchildren towards scientific research. This also provides opportunities to students to interact with eminent scientists.
