

About our Speaker

Name: Tara Mohanan

Where do you work? Resigned from the National University of Singapore in 2006, to take care of my aging parents. Have not been affiliated with any particular institution since then.

What do you do? Collaboratively writing a book on ways to inquire, for students to learn from on their own.

Where and what did you study?

Masters: Calicut University, Kerala

M.Litt: CIEFL (now EFLU), Hyderabad

PhD in Linguistics, Stanford University, California, USA

What are your interests (in your job, and outside)?

Research on language; finding out how children learn, and education in general, science education in particular. Design of various kinds. Photography; birds; flowers. Dance, music, poetry.
