

About our Speaker

Name: Poonam Chandra

Where does s(he) work: National Centre for Radio
Astrophysics, Tata Institute of Fundamental Research

What does s(he) do: I am a researcher and I study death
of very massive stars.

Where and what did s(he) study: I did my M.Sc. From
Aligarh Muslim University. My Ph.D. was from Tata
Institute of Fundamental Research under Joint Astronomy
Programme of Indian Institute of Science, Bangalore.
After that I did a postdoc as a Jansky postdoctoral fellow
in Charlottesville, Virginia, USA. My second postdoc was
at Royal Military College, Canada.

What are your interests (in your job, and outside):

My interests are to study the mystery of universe.

**I love to do painting and sports too. I like running too. Recently I ran
my first half marathon.**
